Re: Scott Roberts and Mechani-Tech Ltd

This letter is to give testimonial to the services provided by Scott Roberts and Mechani-Tech.

Martinborough Vineyard has been involved with Scott for over 3 years from the re-fit of existing facilities to make do for another year through to the full design of a new winery facility.

Scott and his team have been meticulous in each project ensuring everything is ready on a timely basis and right first time. He is both efficient and effective. He is knowledgeable, conscientious and a really nice guy – making it a pleasure to work with him.

I would thoroughly recommend his services and would happy to give a more in-depth view of the projects Scott has worked on with us to anyone interested.

Yours sincerely
